**Stephen Adebajji Akintoye : A History of the Yoruba People** before purchasing it in order to gage whether or not it would be worth my time, and all praised A History of the Yoruba People:

0 of 0 people found the following review helpful. Expertly documented story of the Yorubas'By Akindele Olunloyo Here is the most recent luminous attempt by an erudite Yorubaman to present the history of the people of Yorubaland to the Yoruba people.0 of 1 people found the following review helpful. Five StarsBy G. FAMUTIMik3 of 3 people found the following review helpful. Yoruba missing HistoryBy Dr. Vera B. Selmore This historical

development of the great Yoruba empire enriches one's cultural and historical views. A wealth of knowledge filling the void of information about this early magnificent people. A welcome addition to one's cultural and historical library.

*A History of the Yoruba People* is a comprehensive exploration of the founding and growth of one of the most influential groups in Africa. With a population of nearly 40 million spread across Western Africa - and diaspora communities in Europe, the Caribbean, Latin America, and North America - Yoruba are one of the most researched groups emanating from Africa. Yet, to date, very few have grappled fully with the historical foundations and development of this group which has contributed to shaping the way African communities are analyzed from prehistoric to modern times. This commendable book deploys four decades of historiography research with current interpretations and analyses to present the most complete and authoritative volume to date. This exceptionally lucid account gathers and imparts a wealth of research and discourses on Yoruba studies for a wider group of readership than ever before.
