**Katrina Avila Munichiello : A Tea Reader: Living Life One Cup at a Time** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Tea Reader: Living Life One Cup at a Time:

0 of 0 people found the following review helpful. Great Tea BookBy Joan M. Weisense!This is an excellent book, and I bought a second one to give as a gift.0 of 0 people found the following review helpful. How about tea?By Ms MARTYDdifferent people wax poetic about tea; family experiences, histories, method countries, etc. Soothing.2 of 2 people found the following review helpful. A Tea Reader: Living Life One Cup at a TimeBy Linda L.This is a

wonderful book. After you read each story you feel as though you have just been comforted with a warm cup of tea. If you are able to sip a cup of tea as you read, all the better. It would make a great gift for any tea lover. If you buy it as a gift, order two copies, you will want to keep one for yourself.

A Tea Reader contains a selection of stories that cover the spectrum of life. This anthology shares the ways that tea has changed lives through personal, intimate stories. Read of deep family moments, conquered heartbreak, and peace found in the face of loss. A Tea Reader includes stories from all types of tea people: people brought up in the tea tradition, those newly discovering it, classic writings from long-ago tea lovers and those making tea a career. Together these tales create a new image of a tea drinker. They show that tea is not simply something you drink, but it also provides quiet moments for making important decisions, a catalyst for conversation, and the energy we sometimes need to operate in our lives. The stories found in A Tea Reader cover the spectrum of life, such as the development of new friendships, beginning new careers, taking dream journeys, and essentially sharing the deep moments of life with friends and families. Find reflections of yourself and those you know in stories such as a tea shop owner whose heart is broken by Hurricane Katrina, and then finds the strength to start again, or a woman sharing a last moment with her father over a cup of tea. Whether you are a tea lover or not, here you will discover stories that speak to you and inspire you. Sit down, grab a cup, and read on.

"Like fine wine, savoring a cup of tea involves more than expertise. In this charming anthology, freelance journalist and blogger Munichello provides a refreshing reminder of the days when tea parties evoked thoughts of friendship rather than political differences." - Publishers Weekly  
About the Author  
Katrina Avila Munichello is a freelance writer, blogger, and tea lover. Specializing in writing about tea, parenting and food allergies, she has been published in Yankee Magazine, The Boston Globe Magazine, Living Without and others.
