**Eric. Hunter : ANGLO-AMERICAN CATALOGUING RULES 1967, AN INTRODUCTION.** before purchasing it in order to gage whether or not it would be worth my time, and all praised ANGLO-AMERICAN CATALOGUING RULES 1967, AN INTRODUCTION.:

A "scrambled textbook," in that its pages are not read consecutively, but in reference to "frames," which direct the students to problems and solutions. It is intended to promote self teaching concerning the Anglo-American Catalogueing rules, and can be used with either the British or North American edition of AACR. Index to frames. not paginated. cloth, dust jacket.. small 8vo..
