Suzanne Lussier : Art Deco Fashion before purchasing it in order to gage whether or not it would be worth my time, and all praised Art Deco Fashion:

4 of 4 people found the following review helpful. Art Deco FashionBy BijouxgirlIf you loved the way Jean Harlow, Josephine Baker or Louise Brooks looked, chances are you are a fan of Art Deco fashion. This book is an excellent resource for anyone with an interest in fashion. It is easy to read with lots of useful information and beautiful photos of the fashions as well as jewelry. Art Deco was a style that was the absolute height of glamour. From the bia-cut dresses to the silks and satins they were made from, it was a time of extraordinary luxury. This book is great for a novice to the world of fashion as well as a seasoned fashion maven.6 of 6 people found the following review helpful. Fashion reviewBy sewing peanutThe beautiful, colored pictures of the Art Deco style takes us to the luxurious world of the 20's. The book gives a brief history of the development of Art Deco fashion and then briefly describes the clothing, shoes, underwear, hats, hair style, make up, etc. that was Art Deco. I very much enjoyed reading and studying the pictures in this book!1 of 1 people found the following review helpful. Art Deco Fashion Overview.By Paula CarrThis is not an exhaustive study of Art Deco fashion, but it is a very nice "capsule collection" of the haute mode of that era. Lovely photographs. Perfect for someone who wants an overview of that time as it influenced the clothes and aesthetics.

The most glamorous time for fashion in the 20th century--the Jazz Age--shimmers with trademark exuberance in this first-ever compendium of the style of the Art Deco era. From flapper dresses to feathers, fashion exploded during the Roaring '20s, when clothes became a symbol of a more liberated lifestyle and epitomized the glamour and youthful excitement of the Jazz Age. Hemlines and waistlines slowly crept toward each other as the motto for style--and life--became "Anything Goes!" In Art Deco Fashion the world of Hollywood and F. Scott Fitzgerald comes to life in images of beaded evening dresses for dancing the Charleston; sporty outfits for golf, tennis, and swimming; and clothes designed for traveling in luxury liners, trains, or in streamlined cars. Accented with posters, photographs, and images from fashion magazines of the era, this sumptuous volume presents a thorough and stunning review of Deco fashion.

.com Suzanne Lussier, an expert on French '20s and '30s fashion, is a curator in the Department of Textiles and Dress at the Victoria and Albert Museum. She lives in London.
