Look elsewhere. No real guidance or pictures. If you actually need this book for your relationship. Pass. Double Pass.0 of 0 people found the following review helpful. Four StarsBy SandyGA fun book that I now have placed in the Bathroom For better sitting and reading materials!!0 of 0 people found the following review helpful. Great book, romantic giftBy stagersmThis book makes a great gift for your partner. I've referred to it multiple times over the years; I only wish there was a little more to it - a few more positions, etc.

Spooning is a kind of horizontal hug, two bodies curling up so they fit perfectly into each other's nooks and comfy places--like two spoons in a drawer! With helpful tips on simple pleasures to set a romantic mood, The Art of Spooning will bring out the spooner in you.
