3 of 3 people found the following review helpful. Hmm... What to read next??By Sabrina LunnaA great book of books! I've been following Gina Sheridan on Goodreads for years and I know she has a wealth of knowledge and advice about books I've never heard of. We don't always agree (who does?!) but I certainly trust her recommendations and I look

forward to getting through all the books on this list. 2 of 4 people found the following review helpful. Five Stars
