Thinking through bias and prejudice and how it colors the pastBy CustomerI appreciate his analysis and his perspective on how out prejudice of gays is wrongly projected upon Greece and Rome culture of its day. There was no cultural bias against gays in Rome or Greece. Unfortunately the bias arises because modern historians and interpreters project their cultraul bias against gays upon cultures like Greece and Rome. More study is needed. However, the strength of our culture needs to be balanced by the search for truth rather than the need or desire to substantiate our cultural standards and perspectives from earlier cultures.0 of 0 people found the following review helpful. Not much new insite if you have any understanding of the subjectBy howardhThick with references, I had a difficult time getting through this. Most of the information had been presented at my church over the years and was something I had found out on my own. Be prepared, it is wordier that I expected.3 of 3 people found the following review helpful. Excellent Reading to Combat Spritual AbuseBy Dan NovoaThis is a great resource to

assist ourselves or our clients (if you are in the helping profession--as licensed by a State board) to understand how religion has influenced our lives and those we treat. The book material can be an aid to Self-Acceptance of yourself or a loved one who is struggling with religious rhetoric.

Christianity, Social Tolerance and Homosexuality : Gay People in Western Europe from the Beginning of the Christian Era to the Fourteenth Century by John Boswell. Phoenix,1980
