Penton Staff : Clymer Honda GL1500C Valkyrie, 1997-2003 (Clymer Motorcycle Repair) before purchasing it in order to gage whether or not it would be worth my time, and all praised Clymer Honda GL1500C Valkyrie, 1997-2003 (Clymer Motorcycle Repair):

0 of 0 people found the following review helpful. Nice bookBy StuckingaNice book2 of 2 people found the following review helpful. Very InformativeBy TimBI purchased this book with the intention of maintaining my bike myself as

much as possible. This book is filled with detailed photos of disassembled parts that make it so much easier to understand how to work on this bike, and the step by step descriptions help to instill confidence in the person that is considering working on their own bike. This manual helps to take the mystery out of working on one of these bikes, if you never have before. It covers basic maintenance procedures to in depth jobs such as synchronizing the carburetors to rebuilding the engine. It even gives maintenance frequency schedules, to let the owner know things like how often to change the oil, maintaining the throttle cables, brake systems maintenance, etc. I highly recommend this manual! 0 of 0 people found the following review helpful. Five Stars By Dana B. Grant Helpful.
