**Larry Millsap : Descriptive Cataloging (for the AACR2R and the Integrated Marc Format)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Descriptive Cataloging (for the AACR2R and the Integrated Marc Format):

This text gives cataloguers in libraries, who do not have specialists nearby, practice in original descriptive cataloguing for unique items. The manual has been updated to include 50 new examples and formats include books, archives, manuscripts, computer files, maps, music and visual materials.

From Scientific AmericanThe review questions give readers an excellent opportunity to refresh their knowledge of AACR2R and LCRI...Information Processing and Management Praise for the First edition: "...a much-needed workbook for catalog librarians..." -- Library Journal
