John D. Crowley : Developing a Vision: Strategic Planning for the School Librarian in the 21st Century, 2nd Edition (Libraries Unlimited Professional Guides in School Librarianship)

before purchasing it in order to gauge whether or not it would be worth my time, and all praised *Developing a Vision: Strategic Planning for the School Librarian in the 21st Century*, 2nd Edition (Libraries Unlimited Professional Guides in School Librarianship):

This text shows teacher librarians how to become leaders in their schools and apply their unique skills and insight to develop a timely and meaningful vision for the school's library. Presents two different approaches to strategic planning. Numerous figures are provided to clearly illustrate the strategic planning process.

About the Author John D. Crowley is the director of learning resources and information technology for Regional School District #9, Easton/Redding, CT.
