CremeensThe most biblical and compassionate treatment of the issue I have read to date. While not compromising the clear biblical evidence that same sex sexual activity is imcompatible with God's designed purpose for human sexual activity it also affirms the person who is struggling with this sinful passion an proclivity and offers

hope, forgiveness and transformation.

Divine Eros draws on the latest scientific evidence, including genetics, endocrinology, and psychology, to debunk many key myths about homosexuality and offer alternatives for healing. Following the loss of a friend who was compelled to take his life because of his father's hatred of homosexuals, author Joy E. Corey's pain inspired her to explore the topic. Combining pastoral sensitivity with academic precision, she explores alternatives to simplistic solutions that often characterize discussions of this controversial and provocative topic. Written for those struggling with their own sexuality and their family members, it offers true stories of struggle and victory, pain and healing. "What is fresh about this perspective is its
