**Christopher Hart : Doing a Literature Search: A Comprehensive Guide for the Social Sciences (SAGE Study Skills Series)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Doing a Literature Search: A Comprehensive Guide for the Social Sciences (SAGE Study Skills Series):

Doing a Literature Search provides a practical and comprehensive guide to searching the literature on any topic within the social sciences. The book will enable the reader to search the literature effectively, identifying useful books, articles, statistics and many other sources of information. The text will be an invaluable research tool for postgraduates

and researchers across the social sciences.

About the Author Chris Hart is Senior Lecturer in Management and Organizational Studies at the University of Central England, Birmingham.
