Walter Allen Knittle : Early Eighteenth Century Palatine Emigration: A British Government Redemptioner Project to Manufacture Naval Stores before purchasing it in order to gage whether or not it would be worth my time, and all praised Early Eighteenth Century Palatine Emigration: A British Government Redemptioner Project to Manufacture Naval Stores:

0 of 0 people found the following review helpful. Four StarsBy John H. Sypher Jr. Very detailed! Any history buff for that area time period, a must read! John0 of 0 people found the following review helpful. Great infoBy Linda PickleIts a great book. Didn't have the info I was looking for about my family but still has great historical info. Can't wait to have time to explore this book.0 of 0 people found the following review helpful. I just asked the wrong question!By P. MomaryWhile it didn't answer my specific question, the book is fine, very informative, well-organized and meets every claim made for it.

Walter Knittle's exploration of the 1709 immigration of Germans to England, and then the colonies, is proof that the subchapters of history are often more intriguing than the main events. History buffs will enjoy the wealth of detailed data that the autho
