great price, quick delivery

How the border shapes the experiences and opportunities of Mexicans on each side

"Mexican Voices of the Border Region" is a novel addition to the growing literature on borders, transborder communities, and using borders for understanding United States-Mexico relations. The moving stories--of those who cross the border for their work and do not experience that crossing as particularly liberating--are very compelling and have broad appeal." --Lynn Stephen, Distinguished Professor of Anthropology, University of Oregon, and author of "Transborder Lives: Indigenous Oaxacans in Mexico, California, and Oregon"  
About the Author  
Laura Velasco Ortiz is Professor in the Department of Cultural Studies at El Colegio de la Frontera Norte. She is the author of *Mixtec Transnational Identity*, an updated translation of her book *El regreso de la comunidad: Migracion indigena y agentes etnicos. Los mixtecos en la frontera Mexico-Estados Unidos*.  
Oscar F. Contreras is a Professor in the Department of Social Studies at El Colegio de la Frontera Norte. He is the author of many articles and books, most recently *Aprendizaje tecnologico y desarrollo local: La industria automotriz en el norte de Mexico*.
