Guy Mavor : Mexico - Culture Smart!: the essential guide to customs culture before purchasing it in order to gage whether or not it would be worth my time, and all praised Mexico - Culture Smart!: the essential guide to customs culture:

3 of 3 people found the following review helpful. Useful in general, but not on specificsBy Jeremy AldrichIn this little guidebook, you will find more detail than a typical travel-themed TV show, but not enough to plan out a trip without other resources. I suppose you could say that after reading it, you'll have a better idea of what information you need to

find next before your trip. Chapters include Land and People, Values and Attitudes, Customs and Traditions, Making Friends, The Mexicans at Home, Time Out, Traveling, Business Briefing, and Communicating. The clipart illustrations were useless and made the book look less professionally-created than it is. 0 of 0 people found the following review helpful. Okay, looking for something more comprehensive. By Lawrence David Farrell Brief, but well organized for someone with no previous information about Mexican tourist attractions and customary behaviors. Some very useful common everyday expressions. 0 of 1 people found the following review helpful. Good book. By Cardinal 101 This book is informative. This book will give a person about to do business or visit Mexico. This book gave me information on the Mexican culture that I did know or found confusing.
