**Golberg : Mourning in Halachah (ArtScroll halachah series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Mourning in Halachah (ArtScroll halachah series):

1 of 1 people found the following review helpful. Comprehensive book, Very Detailed By Y Book Very comprehensive book for someone looking to follow all the halacha. However I would mostly recommended for someone who orthodox. 0 of 0 people found the following review helpful. essential... By azamraXP essential... resolved many questions for our family, at a very difficult time... 1 of 1 people found the following review helpful. Should you have

the needBy baby boomerThis book concerns itself with all of the laws and customs concerning Jewish death and burial. I got it as a gift for a family sitting shiva.
