Philip J. McNiff : NOTES, THE CATALOGUING OF MANUSCRIPTS IN THE HOUGHTON LIBRARY
before purchasing it in order to gage whether or not it would be worth my time, and all praised NOTES, THE CATALOGUING OF MANUSCRIPTS IN THE HOUGHTON LIBRARY:

An offprint from Harvard Library Bulletin Volume IV, Number 3, Autumn 1950, which discusses Cataloging manuscripts at Harvard University. Nice inscription on front cover "George K. Boyes from W.H. Bond. This is a preliminary statement only, but procedures have not been greatly altered since." pgs. 392-418. stiff paper wrappers.. large 8vo..
