book that brings alive the history and stories of the people of the Blue Ridge Mountains. Great photographs that illustrate the stories. You will enjoy this book and will want to visit this beautiful historic area of the country.

OLD TIMERS of the BLUE RIDGE and More is about the generations of people who have lived and worked in the beautiful Blue Ridge Mountains of Virginia and North Carolina. Some of the history goes back to the Civil War and the "...and More" part is about those who have come to the mountains because they have fallen in love with this area. Those interviewed want their history and memories to be recorded because they do not want it to be lost. They share their struggles and joys as well as their culture and ways of the mountain people.

About the Author N.W. Boyer is writing this book as the second in a series on the Blue Ridge Mountains. She is also the author of a historical fiction novel entitled, THE SEEDS.
