**Axel Neustaedter : Play with me: The Complete Guide to Role-Playing** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Play with me: The Complete Guide to Role-Playing:

Following on his comprehensive guide to sex positions, Gaymasutra, Axel Neustaedters new book Play with Me! dives into the world of erotic role-playing. What happens when all the varieties of gay sexuality get harnessed for the purposes of transformation to lift you out of your familiar routine? Thats where role-playing begins. Whether its the classic scenario of playing doctor or cyber-techno games, pet play or the adventures of an office stud: There are no limits to where fantasy can take you. This richly illustrated guidebook, with its large selection of color photos,

personal testimonies, and interviews with experts, answers all the important questions about role-playing. A book to help everyone find the perfect role: in bed, in the back room, and maybe even in real life.

About the Author Axel Neustaedter is a freelance writer living in Berlin. He has edited the gay erotica series Loverboys, to which he also contributed three novels. After his successful sex guidebooks Gayma Sutra and Play with Me!, The Bigger Bang is his standard reference work about anal sex.
