Peter Jackson : Queer Bangkok: 21st Century Markets, Media, and Rights (Queer Asia) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Queer Bangkok: 21st Century Markets, Media, and Rights (Queer Asia):

This book analyses the roles of the market and media especially cinema and the Internet in these transformations, and considers the ambiguous consequences that the growing commodification and mediatisation of queer lives have had for LGBT rights in Thailand. A key finding is that in the early 21st Century processes of global queering are leading to a growing Asianisation of Bangkok's queer cultures. This book traces Bangkok's emergence as a central focus of an expanding regional network linking gay, lesbian and transgender communities in Hong Kong, Singapore, Taiwan, Indonesia, the Philippines and other rapidly developing East and Southeast Asian societies.
