From Ingramcontent : Queer Methods (Women's Studies Quarterly) before purchasing it in order to gage whether or not it would be worth my time, and all praised Queer Methods (Women's Studies Quarterly):

Rather than focusing on what makes up queer identity, this issue of the award-winning journal WSQ asks whether the academys preexisting scholarly methods will be enough to take on this exciting new field of study. As an inherently

slippery discipline, the resistance, impreciseness, and provocation that distinguish Queer Studies will undoubtedly affect its methodological development

About the Author Matt Brim is Associate Professor of Queer Studies in the English department at the College of Staten Island, CUNY. Brim's research focuses on 20th- and 21st-century queer American literature and culture and on queer pedagogy. He is also the author of *James Baldwin and the Queer Imagination* (University of Michigan Press 2014). Amin Ghaziani is associate professor of sociology at the University of British Columbia in Vancouver. He is author of three books: *There Goes the Gayborhood?* (Princeton University Press, 2014); *The Dividends of Dissent* (University of Chicago Press, 2008); and *A Decade of HAART* (Oxford University Press, 2008).
