**Amy Hart : RDA Made Simple: A Practical Guide to the New Cataloging Rules** before purchasing it in order to gage whether or not it would be worth my time, and all praised RDA Made Simple: A Practical Guide to the New Cataloging Rules:

3 of 3 people found the following review helpful. RecommendedBy Miss ReadInstructions are given in clear language; clear even to an "Accidental Librarian" like myself :-) Thank you!0 of 13 people found the following review helpful. You want to sell something? Sell it. Don't ...By J. BeneshYou want to sell something? Sell it. Don't jerk the rug out of my feet after I bought it. I bought it from someone else. And that's what I'll keep doing.

Looking for a comprehensive, all-in-one guide to RDA that keeps it simple and provides exactly what you need to know? This book covers planning and training considerations, presents relevant FRBR and FRAD background, and offers practical, step-by-step cataloging advice for a variety of material formats. Supplies an accessible, up-to-date guide to RDA in a single resource Covers history and development of the new cataloging code, including the results of the U.S. RDA Test Coordinating Committee Report Presents the latest information on RDA cataloging for multiple material formats, including print, audiovisual, and digital resources Explains how RDA's concepts, structure, and vocabulary are based on FRBR (Functional Requirements for Bibliographic Records) and FRAD (Functional Requirements for Authority Data), both of which are reviewed in the book

"This handy reference . . . should prove useful." - VOYA "RDA Made Simple is an excellent starting point for those planning for the implementation of RDA at their library. RDA trainers may find the author's practical approach useful as well." - Technicalities About the Author Amy Hart has been a technical services/systems librarian for more than 20 years, most recently serving as head of bibliographic services at Minuteman Library Network in Natick, MA.
