Four StarsBy Gary LjunggrenVery helpful for the class I took.1 of 2 people found the following review helpful. Text bookBy D. CoppolaWell written and I was able to do everything I needed to do using this book. Well written and easy to read.

This book is a user-friendly guide for K12 librarians, teachers, and school library media specialists that covers all

major areas in reference, from the reference interview to encyclopedias and dictionaries.

"This essential resource addresses a broad range of topics. . . . Regardless of how many years you have been a school librarian, this is an invaluable resource that should be on every school librarian's shelf." - Library Media Connection

"Well organized, cleanly written, and thorough, this manual is well worth the cost." - VOYA
