From AltaMira Press : Reinventing the Museum: The Evolving Conversation on the Paradigm Shift before purchasing it in order to gage whether or not it would be worth my time, and all praised Reinventing the Museum: The Evolving Conversation on the Paradigm Shift:

Reinventing the Museum presents iconic essays from the 20th century and the latest thinking of the 21st century on

ideology, public engagement, and new frameworks. Its 44 seminal articles and selected bibliography guide students through nearly a century of museum thought and theory.
