From Linworth : School Library Management, 7th Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised School Library Management, 7th Edition:

0 of 0 people found the following review helpful. I can see this textbook as being useful after my program which is not always the caseBy CustomerThis book arrived in a timely manner so I could use it for my class.All the articles I read were thankfully short and concise. The articles focus on many aspects of teacher librarianship; I can see this textbook as being useful after my program which is not always the case. I can recommend this book for reference and inspiration.

This book compiles selected articles from Library Media Connection to help school librarians and pre-service librarians learn about how to implement best practices for school library management. An outstanding LIS textbook that addresses the latest standards, guidelines, and technogeis for the field and offers a blueprint for developing a

strong school library program A comprehensive listing of resources that includes websites, blogs, videos, and books
Articles written by distinguished practitioners and industry icons Suggestions for using new technologies to achieve
learning outcomes A compilation of the most useful articles from Library Media Connection
