Brian Osborne, Ronald Armstrong, Brian D. Osborne : Scotch Obsessions before purchasing it in order to gage whether or not it would be worth my time, and all praised Scotch Obsessions:

0 of 0 people found the following review helpful. EntertainingBy Kindle CustomerAn entertaining dusting of the subject matter. I was hoping for more insight but enjoyed the read.

This is an investigation into the Scots and their many and varied obsessions, accompanied by relevant quotations from poets, novelists and writers. This book explores the beliefs, habits, passions and phobias which have influenced and formed the Scottish character throughout the centuries. Famous obsessions such as sport, England, money and drink are discussed, as are perhaps less obvious subjects such as emigration, law, work and death.
