**Barbara Marietta and Frick, Bertha Margaret Westby : Sears List of Subject Headings, 9th Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised Sears List of Subject Headings, 9th Edition:

A core list of key headings, together with patterns and examples to guide the cataloger in creating further headings as required, Sears List of Subject Headings has been the standard thesaurus of subject terminology for small and medium-sized libraries since 1923. Also features: \* Agreement with the Dewey Decimal Classification system to ensure that subject headings conform with library standards. \* Easy-to-use thesaurus-like format.
