Ben Morreale : Sicily: The Hallowed Land (Sicilian studies) before purchasing it in order to gage whether or not it

would be worth my time, and all praised Sicily: *The Hallowed Land* (Sicilian studies):

This is a memoir of the Morreale family spanning a century and two continents: the United States and Sicily.

"Morreale breaks the rules of the traditional memoir by recounting the lives of Don Baldassare's offspring." --Fred Gardaphe, Stony Brook Univ. About the Author Ben Morreale has written several novels. He lives in upstate New York. He co-authored *La Storia* with Jerre Mangione.
