Peter H. Lee, Wm. Theodore de Bary : Sources of Korean Tradition, Vol. 2: From the Sixteenth to the Twentieth Centuries before purchasing it in order to gage whether or not it would be worth my time, and all praised Sources of Korean Tradition, Vol. 2: From the Sixteenth to the Twentieth Centuries:

0 of 0 people found the following review helpful. Four StarsBy MontanaPeter Lee comes through again!0 of 0 people found the following review helpful. Didn't come super fast but was in good conditionBy OliviaDidn't come super fast but was in good condition. The book itself wasn't what I thought it would be. It's a bunch of documents or articles about different Korean. Mainly about how to act. I was hoping it would be more about the daily life of Koreans a long time ago.0 of 1 people found the following review helpful. Five StarsBy JFgreat

Modeled after the classic Sources of Chinese Tradition, Sources of Japanese Tradition, and Sources of Indian Tradition, this collection of seminal primary readings in the social, intellectual, and religious traditions of Korea from the sixteenth century to the present day lays the groundwork for understanding Korean civilization and demonstrates how leading intellectuals and public figures in Korea have looked at life, the traditions of their ancestors, and the world they lived in. The selections range from the mid- and late Chosn dynasty in the sixteenth century, through the encounter with the West and imperialist Japan in the late nineteenth and early twentieth centuries, to the political and cultural events in South and North Korea since 1945ending with President Kim Taejung's 1998 inaugural address.

An invaluable guide for students of Korea in any discipline as well as for scholars and students of East Asia for many years to come. (Journal of Asian Studies)A monumental accomplishment. (Korean Studies)About the AuthorYngho Ch'oe is professor of history at the University of Hawaii. Peter H. Lee is professor of Korean and comparative literature at the University of California, Los Angeles.Wm. Theodore de Bary is John Mitchell Mason Professor Emeritus and provost emeritus of Columbia University.
