**From Brand: Marquette Univ Pr : St. Thomas Aquinas: On Charity (Mediaeval Philosophical Texts in Translation)** before purchasing it in order to gage whether or not it would be worth my time, and all praised St. Thomas Aquinas: On Charity (Mediaeval Philosophical Texts in Translation):

Charity - and how it relates to God and your fellow beings....There are thirteed "Articles" in the book - short chapers that address the many facets of charity...There is also an intro - by the editor - which summarizes all the thought....Great book!-Joe
