Christopher J. Sutton Professor : Student Atlas of World Geography before purchasing it in order to gage whether or not it would be worth my time, and all praised Student Atlas of World Geography:

0 of 0 people found the following review helpful. Five StarsBy Miranda HGreat quality!1 of 1 people found the following review helpful. GOOD BOOKBy AdamGREAT PRICE1 of 1 people found the following review helpful. Five StarsBy Natalie A. ScarbroughGood book, much cheaper price, and ships on time!

The Student Atlas series combines full-color maps and data sets to introduce students to the importance of the connections between geography and other areas of study such as world politics, environmental issues, and economic development. These thematic atlases will give students a clear picture of the recent agricultural, industrial,

demographic, environmental, economic, and political changes in every world region.
