William Curry Holden : Studies of the Yaqui Indians of Sonora, Mexico (Classic Reprint) before purchasing it in order to gage whether or not it would be worth my time, and all praised Studies of the Yaqui Indians of Sonora, Mexico (Classic Reprint):

Excerpt from Studies of the Yaqui Indians of Sonora, Mexico Five months later Mr. Williams was kind enough to let us see the account. It was mostly a sketchy account of the tribal wars with the Mexicans since i74o. It occurred to us

that if we could get to the old men on the Rio Yaqui we could possibly draw from them additional information. Williams had visited the eight villages on the Rio Yaqui in 1929, and had become a close friend of Jesus Munguia, at that time chief of all the villages. Munguia had since urged Williams to visit the Yaquis again and bring his friends if he wished. An opportunity to enter the Yaqui country as Williams' friends caused us to start planning an expedition. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
