Imogene Forte, Marjorie Frank : Study Research BASIC/Not Boring 6-8+: Inventive Exercises to Sharpen Skills and Raise Achievement before purchasing it in order to gage whether or not it would be worth my time, and all praised Study Research BASIC/Not Boring 6-8+: Inventive Exercises to Sharpen Skills and Raise Achievement:

0 of 0 people found the following review helpful. Great resource!By Ruth RMany good resources to use with middle school kids. I used it to help with our research project and it was great!

This book is one of a six-piece series that lays a strong foundation for language skills by guiding students through

creative story lines. They'll take a trip to an amusement park in "Words Vocabulary." They'll investigate a tip, then follow the clues to solve a mystery in "Study Research." They'll find unique situations that create learning environments in each book of this excellent series.
