Joanna F. Fountain : Subject Headings for School and Public Libraries: An LCSH/Sears Companion, 3rd Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Subject Headings for School and Public Libraries: An LCSH/Sears Companion, 3rd Edition:

0 of 0 people found the following review helpful. A must for cataloging. However...By C. Margocs...there's a new edition coming out in January, I believe. This book is almost indispensable for cataloging; this, plus access to the

Library of Congress Authority Files and MARC bibliographic references online are pretty much all you need in the school library. 0 of 0 people found the following review helpful. Five Stars By FRANK G PAINE Very good 0 of 0 people found the following review helpful. very useful. By Janet67 just what i was looking for, very useful.

A first-check source for the most frequently used headings needed in media centers and public libraries, this book has several thousand new and revised entries to assist in applying LCSH and AC headings. Of the approximately 30,000 headings listed, thousands include cross-references. MARC codes are included with ambiguous headings to simplify entering them into computerized catalogs.

..."a great help with daily cataloging both before and after retrospective conversion. In addition, it is easier on the wrists than the Big Red Books."-Colorado Libraries "Will save much time to school and public library catalogers."-Technicalities" of previous edition: A valuable cataloging tool."-Elementary School Library Collection "Will save much time to school and public library catalogers."-Technicalities? of previous edition: A valuable cataloging tool."-Elementary School Library Collection?...a great help with daily cataloging both before and after retrospective conversion.
