## Submerge: Living Deep in a Shallow World: Service, Justice and Contemplation Among the World's Poor:

Its time to change the face of poverty, to live our faith authentically and to get involved with the people who need help. Its time to sub-merge ourselves, to go deep beneath the surface of shallow living and make a difference in our world! Follow author John Hayes as he lives out his faith on some of the toughest streets and poorest ghettos in the world. Learn what real compassion looks like in the trenches. Discover why people of faith cannot ignore the poor and how the St. Francis model of compassion can help alleviate suffering today. You'll also be energized to action through an inside look at the workings of InnerCHANGE, a mission organization that seeks to work among the poor, rather than just offering aid and handouts. Readers will come away with practical ways they can work for justice and find significance in the process.
