It could easily be provided as a free web page or in pdf format. Maybe it would be useful for interested teens or other up-and-coming philanthropists who have little time to read. For

others, I recommend "Money Well Spent" by Paul Brest. (And, while you're at it, please use Smile to support a charity of your own choice with every purchase.) 0 of 0 people found the following review helpful. When it comes to giving, Jean Shafiroff leads the pack. To anyone who wants to fundraise, volunteer, or show support by giving, I must stress: Do not keep this book on your bookshelf. Place it on your desk. It should be your bible, your roadmap to success in the world of philanthropy. Elsie McCabe Thompson, President, New York City Mission Society Jean Shafiroff's vision for philanthropy, as outlined in this book and carried out in her own life, is one of collaboration, authenticity, and respect. She sets forth a path for philanthropists, new and old, to reflect on their values and discover their own philanthropic identity. As a true reflection of its author, this book embodies a spirit of fierce commitment and dedication to causes greater than one's self. Ana Oliveira, President and CEO, The New York Women's Foundation Successful Philanthropy is a call to action to each of us to give back to our communities. It is both a pleasure and an inspiration to read definitions of being a philanthropist and the heartfelt gift of giving, and the manner in which we can all help. Whether in small or bountiful ways, we can all engage in philanthropy. As an engaged and dedicated Board Member of French Heritage Society, Jean epitomizes the values of a true philanthropist; she is generous, caring, concerned, and determined. With this same passion, she has written a book that is both inspiring but also equally practical in its detailed explanation of how individual philanthropy can be understood and pursued by each of us. I am sure, with the admirable new modern interest in philanthropy, that this book will be appreciated by many, and serve as an inspiration to others. Elizabeth F. Stribling, Chairman, French Heritage Society Jean Shafiroff is a force of nature. She is one of the most passionate and compassionate donors that I know. In this handy, easy-to-read volume, she lays out everything a budding philanthropist needs to know to get started, to make smart decisions and, ultimately, to make an impact in the world through philanthropy. I recommend it. David Rivel, CEO, Jewish Board of Family Children's Services To understand philanthropy you can either read Jean Shafiroff's book or you can simply experience Jean Shafiroff. I am fortunate to have done both. While the etymology of the concept of Doing well by doing good is often attributed to Benjamin Franklin, the behavior is quintessential Jean Shafiroff. She evokes the true spirit of giving, philanthropy, and volunteerism every day of her life in her passion for and service to important causes and organizations. Steven M. Bernstein, President, Southampton Hospital Foundation Successful Philanthropy is both a passionate call to action for philanthropists and an invaluable manifesto for all of us who endeavor to make a difference in the not-for-profit community by giving of our time, talent, and financial resources. Scarcely a philosophical treatise, Jean Shafiroff's book is a pragmatic guide to giving that is modeled on her own remarkable life experience as a successful philanthropist and volunteer. Robert S. Chaloner, President and CEO, Southampton Hospital Jean's call to action derives from her generous spirit and compelling interest in making the world a better place. Taking a serious, fresh look at giving, she is both a skilled mentor and an inspiration. Robert Ferguson, Vice President for Development, Fashion Institute of Technology Philanthropy entails the giving of one's time, one's resources, and of oneself. Having worked successfully with Jean Shafiroff on behalf of the Southampton Animal

Shelter Foundation, her knowledge and dedication in the field is highly respected. The reader will benefit from Jean's extensive experience that is found in her book. Jonathan W. McCann, Board President, Southampton Animal Shelter Foundation
