Kendall Haven : Super Simple Storytelling: A Can-Do Guide for Every Classroom, Every Day before purchasing it in order to gage whether or not it would be worth my time, and all praised Super Simple Storytelling: A Can-Do Guide for Every Classroom, Every Day:

0 of 0 people found the following review helpful. Five StarsBy Bethany RawleyGreat resource1 of 1 people found the following review helpful. Story Telling GuideBy Jay DeikeThis "Story Telling Guide" is a book that for me did not work on kindle -- there are many (lots) of references that I wanted to review in the middle of every section/chapter, and that is just not a compatible function on kindle. So, I bought the hard copy ... much better.0 of 0 people found the following review helpful. Five StarsBy CustomerA fun addition to every classroom

Designed for educators and other professionals who want to improve communication skills and boost learning, these

simple storytelling techniques are as fun as they are effective. Haven's breakthrough approach helps you build on your natural storytelling abilities to refine your communication skills in the classroom, library, and even at home. This book has everything you need to get started, including detailed directions and guides for more than 40 powerful storytelling exercises to use with your class. You'll find the Golden List of what an audience really needs from storytelling, a proven, step-by-step system for successfully learning and remembering a story, the Great-Amazing-Never-Fail Safety Net to prevent storytelling disasters, a comprehensive discussion of the proven value of storytelling in education, and more. The book also shows you how to effectively use storytelling across the curriculum to capture student interest and boost learning. It even provides guidelines for teachi
