Ronald Paul Hill : Surviving in a Material World: The Lived Experience of People in Poverty before purchasing it in order to gauge whether or not it would be worth my time, and all praised Surviving in a Material World: The Lived

Experience of People in Poverty:

This work provides an eye-opening look at the material lives of the poor in America. The narrative aims to allow readers to envision themselves in the real world of the poor, to imagine what it could be like to be faced with their particular circumstances and limited options.
