Ace Backwards : Surviving On The Streets: How to Go DOWN Without Going OUT (Spare Change?) before purchasing it in order to gage whether or not it would be worth my time, and all praised Surviving On The Streets: How to Go DOWN Without Going OUT (Spare Change?):

0 of 0 people found the following review helpful. Five Stars By Nick A good look at street life. 0 of 0 people found the following review helpful. Interesting Look at Berkeley, SF homeless man in 1980's By tom This was an interesting book to read and compare the homeless scene in the '80's hip California to the situation in the town where I live that is implementing strict regulations for the homeless. The homeless where I live literally will have no place to sleep outside, because all the rural areas are open space regulated by the county gov't. It's just a good all around book about homelessness, written by a college graduate, it seems. The gentrification issue is interesting as that is happening in a

lot of places in Colorado, particularly Denver. (I do not live in Denver).0 of 0 people found the following review helpful. Love it!By GET REKTPhenomenal book, binding was rough, but if you go to kinkos, they'll spiral bind it, and it's perfect

Ace Backwards gives us our first real foray into the daily life of street people. Intended to be written as a how-to for anyone contemplating or more likely thrust by circumstances into street life, it is an uncensored and candid look at an entirely different world that exists co-dependently with the one with which most of us are familiar. Ace himself admits that no book can teach you to survive the countless turbulent pitfalls awaiting you on the street - each street person's situation is unique. However, this book offers specific tips on street survival that worked - and some that didn't, which might be just as valuable for those who could learn from Ace's mistakes. For those of us who will never live on the streets, this book gives a brutally honest peek into an alien world from the eyes of a native.

About the AuthorAce Backwards first hit an on-ramp with his thumb out over thirty years ago. He has lived on and sometimes off the streets, but now seems to have settled into a life enmeshed in the street scene.
