Charlotte Pierce-Baker : Surviving the Silence: Black Women's Stories of Rape before purchasing it in order to gauge whether or not it would be worth my time, and all praised Surviving the Silence: Black Women's Stories of Rape:

In this "intelligent", "stunning", and "honest" book, Charlotte Pierce-Baker weaves together the accounts of black women who have been raped and who have felt that they had to remain silent in order to protect themselves and their race. It opens with the author's harrowing and courageous account of her rape and includes the stories of the author's own family's response, plus the voices of black men who have supported rape survivors.
