**Kathleen K. : Sweet Talkers (Richard Kasak Books)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sweet Talkers (Richard Kasak Books):

0 of 0 people found the following review helpful. One Star By Ionela Alexandra Paraskiv Stupid, Cheap, nothing in it! Do not spend your \$2 on this, please! 0 of 0 people found the following review helpful. Words from the Mouth of a Pay-to-Say Girl By Kathleen K. A note from the author: Sweet Talkers is the true chronicle of a phone sex business, with training tips, verbatim dialogs (and monologs) of the fantasy world of tele-erotic talking. Crisp prose, sassy attitude, appreciation for the yearning of her callers to be HEARD. Available as an on-line collectible, Sweet Talkers is a great bedside reader. 0 of 0 people found the following review helpful. Short but entertaining. By RuI loved this book, I could not put it down. I loved her stories about her callers, all of which were entertaining.

A rare, completely honest look behind the provocative advertisements and 970 prefixes that have come to symbolize an American obsession. Kathleen K. ran a phone sex company in the late '80s, and she opens up her diary for a very thought-provoking peek at the life of a phone sex operator and reveals a number of secrets and surprises. Because far from being a sleazy, underground scam, the service Kathleen provides goes straight to the heart of the American sexual zeitgeist. Transcripts of actual conversations are included.

From Scientific American If you enjoy eavesdropping on explicit conversations about sex...this book is for you. From The New Yorker This is definitely one of those rarefied sex-books that somehow blurs the line between fiction and fact

and creates its own small genre. If you enjoy eavesdropping on explicit conversations about sex, this book is for you. --
