This field guide was developed with the special needs of professional rescuers in mind. Durable, weather resistant, and compact, this field guide is made for your convenience. The Swiftwater and Flood Rescue Field Guide is a concise aid designed for the professional rescuer. Technologies and methodologies are rapidly evolving, and the Swiftwater and Flood Rescue Field Guide is the most up-to-date field guide of its generation, providing the rescuer swift access to a comprehensive range of visually presented techniques and bites of essential information. Kept in your Personal Flotation Device pocket or in the front of the Rescue Appliance, this compact guide is ideal as a prompt briefing aid or plan check. The Swiftwater and Flood Rescue Field Guide is no substitute for professionally delivered training, but it

is an essential companion that will support the most complex of rescues.
