Lara Seven Phillips, Katherine G. Holvoet : Taking Your MLIS Abroad: Getting and Succeeding in an International Library Job before purchasing it in order to gage whether or not it would be worth my time, and all praised Taking Your MLIS Abroad: Getting and Succeeding in an International Library Job:

0 of 0 people found the following review helpful. Not just for librarians...By GumboCookThis book is not just for

librarians. Anyone planning an extended stay or working in a foreign country will find this book filled with useful information. Worldwide interviews cover many aspects of working and living abroad. Easy to read and follow makes this book a valuable resource. 0 of 0 people found the following review helpful. Four Stars By CustomerGreat tips and insights for the nomadic librarian within us all!

This book explains how and why to get an international library job, what to expect when you arrive in your host country, and how to overcome challenges in your new home. Supplies potential expat librarians invaluable information about what to expect from libraries abroad, identifying differences, constraints, and obstacles as compared to U.S. norms Describes the realities of moving and working abroad, thereby enabling readers to accurately assess if a foreign job would be a good fit Guides librarians taking a job outside the United States and Canada through the intricacies of moving abroad, thriving in their new job, and building networks (professional and social) Provides practical information suited to librarians with experience in academic, school, or special libraries as well as newly graduated librarians

About the AuthorLara Seven Phillips has more than two decades' experience in library work. Most recently, she was special collections librarian at the University of the South Pacific in Suva, Fiji.Katherine G. Holvoet is associate professor and the electronic resources librarian (former learning commons supervisor) at Zayed University in Abu Dhabi, United Arab Emirates.
