**Josh Alan Friedman : Tales of Times Square: Expanded Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised Tales of Times Square: Expanded Edition:

Friedman has drawn a vivid picture of the Times Square area and its denizens. He writes about the porn palaces with live sex shows, and the men and women who perform in them, prostitutes and their pimps, the runaways who will likely be the next decade's prostitutes, the clergymen who fight the smut merchants and the cops who feel impotent in

the face of the judiciary. Publishers Weekly This classic account of the ultra-sleazy, pre-Disneyfied era of Times Square is now the subject of a documentary film of the same name to be theatrically released this year. With this edition, Tales of Times Square returns to print with seven new chapters.
