Thought that there would be lots of cool pictures, but there were not.

Anthropologist and tattooist Tricia Allen has harnessed centuries of knowledge about Hawaiian tattoos and has created this fascinating, comprehensive reference book that can be enjoyed by both tattoo enthusiasts and cultural scholars. *Tattoo Traditions of Hawaii* describes the evolution of Hawaiian tattooing as an art and science tracing it from its early roots in ancient Polynesia; presents motif, meaning, placement, tools and techniques along with personal observations and commentary in meticulous and graphic detail; discusses contemporary Hawaiian tattooing within the context of contact with the Western world; and includes drawings of designs and patterns for ideas and consideration.
