David Howard, Amy Hunter : Teaching the Video Production Class: Beyond the Morning Newscast before purchasing it in order to gauge whether or not it would be worth my time, and all praised Teaching the Video Production Class: Beyond the Morning Newscast:

0 of 0 people found the following review helpful. Very good for middle schoolsBy Kindle CustomerIt's good but really for middle school. Also the documents are nice, but access to PDF s would be helpful.1 of 1 people found the following review helpful. Worth it!By JosephMust have for every media teacher! Excellent resource.1 of 4 people found the following review helpful. Three StarsBy Siglinda SmoakNice info

This guidebook is a must-have resource for anyone teaching a television production class or running a morning news show at the elementary, middle, or high school level. Provides resource ideas for royalty-free music, virtual sets, cost-

effective equipment purchases, and more Includes step-by-step video project guides, lessons, reproducible activities, and assessments that can be adapted for use with students of all levels, from beginner to advanced Supplies guidance on setting up a recording studio, from basic equipment needs for those just getting started, to recommended purchases for experienced videographers seeking to take their studio to the next level Covers important information about copyright restrictions within the television production classroom
