Thane Pullan : Teachings of a Grumpy Cripple: Volume 2 (The Grumpy Cripple) before purchasing it in order to gage whether or not it would be worth my time, and all praised Teachings of a Grumpy Cripple: Volume 2 (The Grumpy Cripple):

A fascinating dialogue regarding the social barriers for those who are handicapped and the limits they find in society. This personal biography explains the view of a person with Cerebral Palsy and the impact the disability has on access, care, and his sexuality. The 'Grump Cripple' is a New Zealand comedian and writer with socio-political views on life and disabilities. <http://www.facebook.com/langbookpublishing>
