Sheri Dean : Thanksgiving (Our Country's Holidays) before purchasing it in order to gage whether or not it would be worth my time, and all praised Thanksgiving (Our Country's Holidays):

0 of 0 people found the following review helpful. Turkey dayBy JEK teacherI found this book disappointing. I bought it to send to a Spanish speaking friend who is learning English hoping it would explain Thanksgiving. It was secular to the max with next to no historical background. It might as well have been titled, "Things to do on Turkey Day." Unless you simply want a list of things people do on Thanksgiving Day, save your money.

This colorful series supports a key topic in the early social studies curriculum--our country's holidays. Using lively, full-color photographs and easy-to-read text, each title explores a different holiday and explains why it is significant. Beginning readers will also learn how the holidays they celebrate in their families and communities are observed across the nation.
