It is unfortunate, as the book acknowledges, that there has not been more rigorous research done to validate the value of The 7 Habits Inside. Nevertheless, the results seen so far suggest that every prison system ought to, at the very least, look into this program. We cannot

continue with the status quo.0 of 0 people found the following review helpful. Five StarsBy CarolThis will change the prison inmates in a great way.

About two-thirds of convicted criminals re-offend after they are released from prison. What would our world be like if most parolees were so completely changed while incarcerated the first time that they never returned to a life of crime? If you would like to see that happen, read *The 7 Habits on the Inside*. This is a summary/white paper.
