**Irene Thompson : The A-Z of Punishment and Torture** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The A-Z of Punishment and Torture:

0 of 0 people found the following review helpful. Like I didn't know they had a trial and condemned ...By CustomerIf your into the darker more morbid history of this stuff, then this book is for you. There are so many interesting little facts in here that are really surprising. Like I didn't know they had a trial and condemned a pig to be executed, then dressed it in clothes and hung it many many years ago. Then they executed rats years later just to name a few. So it

wasn't always just people that could get a trial and death penalty. Fascinating...0 of 0 people found the following review helpful. Sophomoric, poorly edited, and far from comprehensiveBy Mitch FrostThe author, in as few sentences as possible seeks to provide definitions with annotations for torture. The writing, as well as the annotations employed leave one unsatisfied as they barely scratch the surface in both breadth and depth.1 of 1 people found the following review helpful. quite enjoyableBy oldfogeyWhile resembling a dictionary or encyclopedia it reads much better than that. the author manages to tell a little story or give background on most of the methods included. If you're interested in the subject this book is well worth the price

This eye-watering A to Z of punishments ancient and modern provides a wealth of weird folklore, astounding tales, and more recent outrages, such as the use of squassation at Abu Ghraib.
